

## INTRODUCING THE GALE 40 SERIES

### The Gale 40 Series

The Gale 40 Series is the evolution from the award winning 30 series, the result of extensive research and development undertaken to provide you with accurate and uncompromised reproduction of movie soundtracks and music. With attention to detail second-to-none, these loudspeakers not only guarantee outstanding enjoyment but their elegant, clean lines also allow them to integrate seamlessly into your home.

#### Gale 4010S

A small speaker whose sparkling detail belies its compact proportions. The shielded 4010s is a perfect stereo partner for our 4070W or 4080W subwoofers or as a satellite speaker in our Dolby Digital® compatible home theatre systems. Integrated hanging hooks for easy installation.
