

INTRODUCING THE GALE 40 SERIES

The Gale 40 Series

The Gale 40 Series is the evolution from the award winning 30 series, the result of extensive research and development undertaken to provide you with accurate and uncompromised reproduction of movie soundtracks and music. With attention to detail second-to-none, these loudspeakers not only guarantee outstanding enjoyment but their elegant, clean lines also allow them to integrate seamlessly into your home.

Gale 4050C

Clear dialogue replay is crucial to any movie soundtrack and by employing the same drive unit construction throughout the 40 Series, clarity and seamless integration are assured.
